Who We Are

WE ARE PART OF THE **Boehringer Ingelheim Corporation**, a research-driven group of companies dedicated to serve human-kind by researching, developing, manufacturing and marketing pharmaceuticals that improve health and quality of life.

Founded in Ingelheim, Germany in 1885, **Boehringer Ingelheim** is one of the worlds' 20 most important pharmaceutical companies, with more than 135 affiliated companies in 47 countries.

Our facilities in Mexico are certified by different international health authorities, including the FDA, to export prescription medicines to the USA. We have been the only Mexican pharmaceutical company awarded with the National Exports Prize.

Major Markets

BOEHRINGER INGELHEIM HAS, for many years, been active in the contract manufacturing business, offering a wide range of services for pharmaceuticals production as well as for pharma chemicals and biopharmaceuticals. In 2007, **Boehringer Ingelheim** posted net sales of EUR 739 million in this business area alone.
