### Who We Are

DPT, a DFB Pharmaceuticals, Inc. company, is a contract development and manufacturing organization (CDMO). DPT provides pharmaceutical, biotechnology, and consumer healthcare companies the best solutions to their drug development and manufacturing needs through innovation, technology, and service. Specializing in semi-solid and liquid dosage forms, DPT has a reputation for quality, unmatched technical expertise, virtually unlimited manufacturing capabilities, and an exemplary regulatory compliance record.

Customers choose DPT as a strategic partner because of our ability to provide fully integrated drug development and manufacturing solutions. DPT customers have confidence that their projects, from concept to commercial manufacturing, will be handled by professionals with unparalleled knowledge and experience, using state-of-the-art equipment and processes.

The ability to develop, manufacture, and commercialize products in semi-solid and liquid dosage forms makes DPT unique. To get your next product to market fast and with confidence call DPT – *The Industry Source for Semi-solids and Liquids<sup>SM</sup>*.
