Who We Are

HAUPT PHARMA IS ONE OF EUROPE'S LARGEST contract developing and manufacturing companies for pharmaceutical products with eight manufacturing sites in Germany, France and Japan. Haupt Pharma produces over 1,500 different products in 4.000 stock-keeping units for nearly all dosage forms and speciality products such as hormones and cytotoxics. More than 200 clients (incl. 15 of the top 25 global pharmaceutical companies) benefit from Haupt Pharma's tailor-made solutions and a full service spanning pharmaceutical development, regulatory services, commercial manufacturing, packaging and logistics. With a clear focus on quality, safety and efficiency Haupt Pharma is an "Inspiring Partner for Efficient Solutions."
